Deuteronomy 24:19

Take a look inside...
A harvest of happenings in October!

What a joy and blessing it is to be the Pastor of Goddard United Methodist Church. Here at this church we share deep love and genuine hospitality to everyone who enters our doors. An important question for any church to answer is, “If your church disappeared tomorrow would it be a big loss to the community, or would people care?” I can answer passionately that yes it would be a massive loss! Goddard does so much for others. We have a wonderful food pantry that serves so many! We gave out 963 food bags since our last Charge Conference! I am especially glad about our work and partnership with Ballman Elementary. We have really developed that relationship well. We have done care packages for the teachers, we have supplemented the food pantry at Ballman with foods they do not normally receive. This past summer we did the program where we shared food bags, snack bags, and children’s books every Monday in June and July. We aim to continue this partnership and keep feeding into it. I am also very impressed with the various events and programs we have done this past year. The MMM—Meal-Mission-Meditation occurring monthly has been very successful in building fellowship amongst our people, and sharing in a mission that impacts various efforts over the past year. We have done encouragement folders to our homebound members, shown love to our preschool families, and many other initiatives to the community. We have also witnessed great energy and excitement around our Fall Festival, Christmas Extravaganza, Easter Festival, and VBS which has connected to the community, and we have done our best to gather contact information for a database, so we can highlight upcoming events to folks who have attended a Goddard event. I want to take a moment to applaud our volunteers. We have many volunteers who help make Goddard the wonderful church that it is. They always meet the moment with grace, and we have so many it is hard to calculate the very committed volunteers who are there when the church needs them. Every church member should know we have an incredible staff. They each do so much and contribute a great deal, and each one truly cares about this church. Thank you Debbie, Michelle, Keri, George, Sami Sue, Don, Jenni, Tim, and Mark for your dedication. As most people know, one of the challenges we have at Goddard is the maintenance of our campus. I want to take a moment and highlight various projects that have been completed just in the last year! We have had our bell tower fixed from the lightning strike, and have—for the first time—a lightning rod installed! Let us all say, “Alleluia!” The carillon system has been fixed and you can hear the bells daily at noon and 5pm each day. All of our shingled roofs have been replaced from the hail damage that occurred a year and a half ago. We have had one flat roof repaired, many HVAC units replaced, and have had the metal roof and guttering entrance canopy replaced. We also did an energy saving light bulb initiative through OG&E to have all of our lightbulbs switched over to LED. Over 1,000 lightbulbs were switched over, many of the switches needing adjustment. It was a massive project and my thanks to Don Holland, Ronnie Apple, and Jim Rose for their many hours for the project. We have also had our sanctuary and Jenny Lind exterior doors repaired and stained (they look great!). We have also added new floors to the preschool buildings. As you can see, a great amount of work has been done and I want to thank the Trustees, Debbie Moore, and Michelle Greenfield for all the work we have done to juggle these items together.

One of the challenges related to our building is insurance. We have been informed Church Mutual will no longer accept us as our insurer for our property. We are using every effort to find a replacement. We know our rates with our next insurance company will be much higher. Please pray as our building and insurance expenses add strain on our budget. What a joy it has been to experience the momentum of this past year, momentum we see in attendance in church, momentum we see in a full choir (my thanks to George and Sami Sue who lead them so faithfully and beautifully), and the momentum we see in members joining—14 since our last charge conference! What a joy. Now we must do the work as committed disciples to continue this momentum. We must continue our mission mindedness, hospitality, joy of worship, and warmth of community. God is with us, and each step we take, we take in faith that God meets us at each moment.

Charge Conference Notice

Goddard United Methodist Church Charge Conference will be held Sunday, October 15th at 1:30 pm in the sanctuary.

Two main business items will be brought before the Charge Conference:

- Approval of Charge Conference Action Items which require votes, and the sharing of reports.
- Motion brought forward to the Charge Conference from the Trustees and Endowment

Committees regarding the demolition of Young Hall. Vote approving demolition of Young Hall was administered by the Trustees. Vote approving use of principal endowment funds for the project was taken by Endowment Committee. Endowment rules state any use of principal funds must then have approval of 2/3rds vote of the Charge Conference. Motion is to allow the use of Building Endowment Principal Funds for the funding of the demolition project.*

All members are invited to the Charge Conference. Voting members of the Charge Conference are the members of the Church Council, Nominations Committee, Finance Committee, Trustees Committee and Staff-Parish Relations Committee.

*The Board of Trustees reviewed the viability of all buildings on Goddard Campus. They determined that Young Hall was no longer financially viable as a functional building on our campus. This decision was made carefully by the Board of Trustees, in light of the news that the pipes beneath Young Hall are crushed and would require significant funds to repair for any water usage in the building. Also, sadly both HVAC units for Young Hall failed.

In light of these expenses, and the given quote by SSI of \$48,960, the Trustees determined the better stewardship decision was to vote to demolish Young Hall. It passed unanimously.

For any questions or clarifications, please feel free to contact Pastor Chase.

The Goddard Volunteers for the month of October 2023 are ...

Sharon Freeman and Pat Singleton. The sisters joined Goddard UMC in 2014 and have shared their talents and love for the church since day one.

These awesome women are at the church several days each week. If they are not at church, they are shopping for needed kitchen items. Pat and Sharon spearhead the MMM meals each month and the VBS volunteer meals. They coordinate all aspects of the meal by deciding the menu, purchasing, prepping, and serving the menu items. They ensure that the kitchen is kept in tip top order.

Sharon and Pat are part of the Altar Guild and ensure that Communion is set up and ready for worship service the first Sunday of each month. They are active members of UWF, the Joy Goddard Circle, and the Pairs and Spares Sunday school class. Pat and Sharon volunteer in the Goddard Food Pantry. Pat is on the Board of Trustees and the Nominations Committee. Sharon is slated to join the SPR Committee in January, 2024.

Please let these women know that they are a blessing to our church family and tell them how much they are appreciated!

PSALM 62 CEB

Only in God do I find rest: my salvation comes from him.

2 Only God is my rock and my salvation—my stronghold!—I won't be shaken anymore.

3 How long will all of you attack other; how long will you tear them down as if they were leaning walls or broken-down fences?

4 The only desire of this people is to bring others down low; they delight in deception. With their mouths they bless, but inside they are cursing.

5 Oh, I must find rest in God only, because my hope come from him!

6 Only God is my rock and my salvation—my stronghold! I will not be shaken.

7 My deliverance and glory depend on God. God is my strong rock. My refuge is in God.

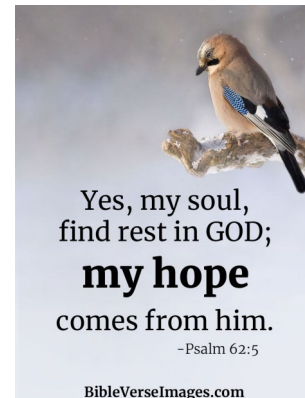

8 All you people: Trust in him at all times! Pour out your hearts before him! God is our refuge!

9 Human beings are nothing but a breath. Human beings are nothing but lies. They don't even register on a scale; taken all together they are lighter than a breath!

10 Don't trust in violence; don't set false hopes in robbery. When wealth bears fruit, don't set your heart on it.

11 God has spoken one thing—make it two things—that I myself have heard; that strength belongs to God.

12 And faithful love comes from you, my Lord—and that you will repay everyone according to their deeds.
